**APIALES 18**  
**satin black / optic smoked**

Design: Sofie Refer, 2022

**Apiales 18** is a modern chandelier, highly suitable for serving as the focal point in a dining room or any larger space. The sleek metal construction takes inspiration from wildflowers, dressing the single stem and branched arms of the chandelier in a satin black finish. 18 optic smoked glass globes in a black transparent colour are decorated with a soft, diced pattern on the inside.
