BABURU BOWL MINI

Balancing on top of a small bubble, the Baburu Bowl is a sculptural take on a traditional Japanese bowl design. Baburu, the Japanese name for bubble, comes in three different sizes, and can be used for both storage or stand alone as an artistic object to elevate a space.

The series is made of ceramic as it is a hand glazed natural product, the colours may vary slightly and while it is not 100% waterproof, a bag for fresh flowers is included.
