Ama Modular, una sensazione di grande accoglienza conferita dalle generose imbottiture e dai sofisticati dettagli che ammorbidiscono le geometrie. A seguito del successo riscosso dal divano, la famiglia Ama accoglie altre sedute imbottite quali la Bergere, il Grand Pouf, l'Ottoman, e la versione componibile anche con moduli curvi del divano omonimo. La collezione di sedute Ama si distingue per le asimmetrie create dalle diverse altezze e profondità degli elementi compositivi. L'ambiente viene animato così da un inaspettato dinamismo altamente scenografico. Non sfoderabile.

Ama Modular, a very cosy feeling given by the generous padding and sophisticated details that soften the geometries. Following the success of the sofa, the Ama family welcomes other upholstered seats such as the Bergere, the Grand Pouf, the Ottoman, and also the modular version with curved modules of the homonymous sofa. The Ama seating collection is distinguished by the asymmetries created by the different heights and depths of the compositional elements. The room is thus animated by an unexpected, highly scenic dynamism. Unremovable covering.

Ama è una collezione di sedute imbottite, composta da divani, poltrone e pouf avvolgenti e morbidi dall'immagine decò. La forma è veramente originale, perché è caratterizzata da asimmetrie compositive date dalle diverse altezze degli elementi compositivi. L'insieme è altamente scenografico e frizzante, che soddisfa anche il pubblico più giovane, senza perdere l'eleganza che contraddistingue la collezione di cui fa parte. I divani e la poltrona hanno una struttura in legno massello multistrato rinforzato e una imbottitura corposa in poliuretano con rivestimento in fibra di poliestere e fodera in cotone. Non sfoderabile.
